Abstract of proposed collection:

The Secretary of State is authorized to issue U.S. passports under 22 U.S.C. 211a et seq, 8 U.S.C. 1104, and Executive Order 11295 (August 5, 1966). Our regulations in the Code of Federal Regulations provide that individuals whose valid or potentially valid U.S. passports were lost or stolen must make a report of the lost or stolen passport to the Department of State before they receive a new passport so that the lost or stolen passport can be invalidated (22 CFR Parts 50 and 51). The Enhanced Border Security and Visa Entry Reform Act of 2002 (8 U.S.C. 1737) requires the Department of State to collect accurate information on lost or stolen U.S. passports and to enter that information into a data system. Form DS-64 collects information identifying the person who held the lost or stolen passport and describing the circumstances under which the passport was lost or stolen. As required by the cited authorities, we use the information collected to accurately identify the passport that must be invalidated and to make a record of the circumstances surrounding the lost or stolen passport. False statements made knowingly or willfully on passport forms, in affidavits, or other supporting documents, are punishable by fine and/or imprisonment under U.S. law. (18 U.S.C. 1001, 1542-1544).

Methodology:

Passport applicants can submit their form electronically on www.travel.state.gov or call the National Passport Information center at 1-877-487-2778. Applicants can also download the form from the internet or obtain one at any Passport Agency or Acceptance Facility.
